Reference letter

To whom it may concern,

in January 2012 and January 2013 Testa Communications Sp. z o.o. organized an away day on the occasion of Ski Jumping World Cup in Zakopane for our company. The agency ensured: accommodation, full board including dinner parties in regional restaurants, tickets for contests, visiting of the ski jump, special VIP stand for our guests, and transport for the whole trip. Testa Communications Sp. z o.o. was responsible for the preparation and full event services. Moreover, they provided promotional activities – including hostesses for Manner at the entrance of the ski jump, and a Manner trailer on the location of the ski jump. All the activities have been realized in accordance to the expectations. We can recommend Testa as a good partner.
